

The Centre for Studies in Health & Aging at Providence Care in Kingston ON Presents

“Empowering Older Adults: Opportunities & Possibilities”

Registration is OPEN: May 25, 2018

This year's conference will focus on social isolation, poverty, and age-friendly communities. Keynote speaker [Dr. Parminder Raina](#) will speak to these themes as he shares findings from the Canadian Longitudinal Study of Aging.

- Please mark the date on your calendars and consider registering to secure the early-bird and student rates [Eventbrite Registration](#)

Full program details will be shared in the coming months as well as a call for poster presentations. Other topics include:

- Memory loss assessment, driving
- New community initiatives: Paramedicine, OPP S.A.L.T., Housing alternatives & OASIS
- Elder Abuse “It’s Not Ok” & LGBTQ issues
- Research on Patient Experience with Dementia
- Geriatric care competencies
- Sexuality and dementia
- Marijuana Use
